

THUNDER CLEAN

Alkaline super cleaner for rims

- ✓ **Very short processing time**
- ✓ **Acid-free**
- ✓ **Farewell friendly**
- ✓ **Fast & effective cleaning**

PRODUCT DESCRIPTION:

THUNDER CLEAN is an acid-free wheel cleaner which cleans wheels quickly and safely. Thunder Clean contains powerful surfactants and alkaline components.

APPLICATIONS:

Use Thunder Clean only on rims. Thunder Clean will at all times remove road grime and brake dust from hubcaps, steel and aluminum rims. Note: Specially treated aluminum can be affected.

INSTRUCTIONS:

Before use, read and follow the instructions on the label. Thunder Clean is pure and used diluted. It is recommended to dilute Thunder Clean at all times if a rim is so coarsely soiled that pure use is necessary. Dilution 1:5 depending on the contamination. Spray Thunder Clean on the rim and let it act for 30 to 60 seconds. Spray the entire rim and tire under high pressure. Do not use Thunder Clean in full sun or on warm/hot rims. When in doubt, always test a small piece to prevent major damage.

SPECIFICATIONS:

Base	Tensides, alkaline components
Density at 20°C	1,25 kg/l
pH-value	14
Quantity	20L
