

# SOFT POLISH TOWEL

High-pile microfiber cloth

- ✓ Longer lifespan
- ✓ Weight: 310 grams/m<sup>2</sup>
- ✓ Extra shine on smooth surfaces
- ✓ High-pile microfiber cloth

## PRODUCT DESCRIPTION:

**SOFT POLISH TOWEL** is a high-pile microfibre cloth. The Soft Polish Towel is sonically cut and particularly suitable for polishing products.

## APPLICATIONS:

The Soft Polish Towel is particularly suitable for polishing products. The Soft Polish Towel has a longer lifespan and gives smooth surfaces extra shine.

## INSTRUCTIONS:

Never wash the microfiber cloth with fabric softener. After each use or after each wash, let the Soft Polish Towel air dry.
